- ♦ Dues payments (or a portion) may be deductible as a miscellaneous itemized deduction. Dues payments are not deductible as charitable contributions for federal income tax purposes.

*** NEA FUND and APPLE CORPS FUND - The National Education Association Fund for Children and Public Education (NEA FUND) and the New Hampshire Education Political Action (APPLE CORPS FUND) collect voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal and state office.

Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund and the APPLE CORPS FUND. Contributions to the NEA Fund and APPLE CORPS FUND are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund and APPLE CORPS FUND requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates.

*** Contributions to the NEA FUND and the APPLE CORPS FUND are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 a calendar year.

*** Federal law prohibits the NEA FUND from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations to the NEA FUND from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.
