

## 2025 NEA-New Hampshire Legislative Scorecard

### Information About Each Scored Bill and Vote

Bill	Title	Vote motion and date	Summary
<a href="#">HB 2</a>	Title: relative to state fees, funds, revenues, and expenditures.	Adopt Floor Amendment (Apr 10, 2025)	This amendment removed the provision included by the House majority to mandate a draconian budget cap for school districts. NEA-NH supported the amendment to remove this provision.
<a href="#">HB 115</a>	Title: (New Title) making temporary appropriations for the expenses and encumbrances of the state of New Hampshire.	OTP (Apr 10, 2025)	This bill was the original universal voucher expansion bill introduced in the House. NEA-NH opposed this bill.
<a href="#">HB 238</a>	Title: prohibiting collective bargaining agreements from requiring employees join or contribute to a labor union.	Indefinitely Postpone (Feb 13, 2025)	This was this year's so-called "right-to-work" bill. The motion of Indefinitely Postpone killed the bill or anything similar for two years, so NEA-NH supported the "Indefinite Postponement" Motion on HB 238.
<a href="#">HB 324</a>	Title: relative to prohibiting obscene or harmful sexual materials in schools.	OTP (Mar 26, 2025)	This bill would have placed vague restrictions on school library and media center materials and put in place criminal penalties for educators who run a foul of this vaguely written bill. NEA-NH opposed this bill.
<a href="#">HB 475</a>	Title: relative to the reductions from the default budget for official ballot town meetings.	OTPA (Mar 27, 2025)	HB 475 would have also had a detrimental effect on local schools and students. Recruiting and retaining educators is a major challenge as it has been with other areas of public service. This bill would have prevented schools from hiring and retaining the qualified educators our students deserve. NEA-NH opposed the OTPA motion.
<a href="#">HB 520</a>	Title: relative to authorizing hearing officers of the department of education to issue subpoenas.	OTP (Mar 26, 2025)	HB 520 grants subpoena authority to the NH DOE for code of conduct investigations. NEA-NH opposed the bill as it was passed and therefore opposed the OTP motion.
<a href="#">HB 741</a>	Title: allowing parents to send their children to any school district they choose.	OTPA (Mar 27, 2025)	HB 741 would have required each school district admit students from other resident districts with a very narrow set of exceptions. This bill would have exacerbated our school funding inequities. NEA-NH opposed the bill and the OTPA motion.
<a href="#">SB 72</a>	Title: (New Title) establishing a parental bill of rights.	Adopt Floor Amendment (Jun 05, 2025)	This parental bill of rights included vague terminology that would be convoluted for educators to follow, and have no tangible benefits to students. NEA-NH opposed this bill and the adoption of the floor amendment.

<a href="#">SB 96</a>	Title: (New Title) relative to mandatory disclosure by school district employees to parents and relative to enforcement of parental rights against school districts and school employees.	Adopt Floor Amendment (Jun 05, 2025)	This floor amendment would have targeted educators with code of conduct violations and possible other penalties if educators did not out students. NEA-NH opposed this bill and this particularly extreme floor amendment.
<a href="#">SB 295</a>	Title: (New Title) relative to education freedom accounts.	OTPA (Jun 05, 2025)	This version of voucher expansion put NH on the path to a universal voucher program with only a soft enrollment cap that expands each year. NEA-NH opposed this bill and the OTPA motion.
